

Wilsonart®

SOLID SURFACE

Available in 70 colors and designs, Wilsonart® Solid Surface is ideal for any interior where you need a surface that looks good, performs well, and provides options that no other surfacing material can.

Resistant to stains and easy to maintain, Solid Surface also requires no surface sealants or costly day-to-day maintenance. And because it is renewable and repairable, slight scratches can be buffed away by the customer or professionally addressed by a Certified Wilsonart Fabricator.

Wilsonart Solid Surface complies with FDA food contact requirements and is safe for food preparation areas. Due to its inconspicuous waterproof seams, it's easier to clean and keep free of mold and mildew. Plus, Wilsonart Solid Surface has also received UL GREENGUARD Gold Certification for low chemical emissions, ensuring that it won't contribute to harmful indoor air quality. See www.wilsonart.com for certifications.

FRONT COVER FEATURES DUSK ICE 9203CE.
